PROTECT YOUR GUESTS

WITH OUR HANDS-FREE SPIGOT ADAPTER

Hands-Free Spigot Adapter
ITEM 22146 | 4.625Wx1.75Dx6.4H

Use the Hands-Free Spigot Adapter to continue to help keep guest's and customer's safety a priority.

Our thoughtful design avoids touching the rim of the glass & keeps the price down, and functionality high!

HOW TO USE:

Our Adapter slides over your existing Cal-Mil Spigot and is set in place with one simple screw.

The customer simply uses their glass or cup to push the wire backward which releases the beverage you are serving.

Works on all Cal-Mil beverage dispensers!

*Custom Available with quick turnarounds & NO MINIMUMS.
